Dear Servant of the Lord,

I am reaching out to Pastors and other Five Fold Ministers and Christian Leaders to offer assistance and resources that will help you grow your ministry and further develop your ministry leaders. Many Pastors and Ministry Leaders today, are challenged when it comes to trying to find ways to get people to come to Church, maintaining membership, increasing their finances, training their leaders and having access to God ordained strategies to effectively impact their communities. I realize that with these challenges many do not have the help and support to build or strengthen their ministries. Many Pastors and other Five Fold Ministers struggle knowing who to call regarding an area of ministry they are not familiar with, and finding someone who qualifies to counsel them, further equip them, impart and pour into them when they need to be ministered to. Having the right Affiliation, Association, spiritual covering and relationship is essential.

Therefore, it is my desire to help those who are already in ministry, further develop their ministries, as well as to help Ministers and lay people establish ministries and churches; with the purpose of causing greater results in substance, scope, and/or territory of impact.

I will like to help you today by offering you access, through affiliation or association partnership, to Five Fold Training and impartation; various tools from our ministry such as strategies, ministry development and leadership training; Bible Studies and Spiritual Enrichment Courses that will cause new believers and Christians from every denomination in your community to come. I would also like to offer teachings that will further equip and prepare you, causing exponential growth in your church or ministry, by causing many to come to Christ, mature and grow in their knowledge, understanding and application of the Word of God.

This affiliation or association partnership, will also give you access to ministerial and leadership counseling, one on one assistance with how to effectively use our ministry resources to advance your church or ministry, a prayer covering, as well as, getting Five Fold ministry strategies, anointed impartation and more.

For Pastors and Five Fold Ministers, including other Ministers with Churches or Ministries who desire to receive these benefits, then it is with great joy and excitement that I extend to you an invitation to join our network as an Affiliate or Associate Church/Ministry or Minister with the House of David Five Fold and Ministries Network. It is our expectation to see you experience revival both personally and ministerial.

Enclosed you will find a catalog of information about what our ministry offers, along with our Affiliation and Associate application. Please review the package, fill out the applications, and return them to:

Following this letter, you will also find a Pastoral lesson, that I have written entitled "Raising Up A Church." I trust that this Leadership teaching will speak to your heart. In your package, on the left hand side I have included my lesson "Why Read the Bible". You can teach this lesson in your next Sunday service or Bible Study as an example of how this ministry desires to help you. If you have any questions you can call our offices at 407-814-3890, or email us at houseofdavidministries@riversofrevival.com.

RAISING UP A CHURCH

A Church, “how does it start, and where do the people come from”, was the questions that was in my wife’s and my heart, before and when God told us to start our first church. It is easy to see established churches, and think that the development of it was easy, and that they decided to open a church and instantaneously people just begin to fill the place. I have found these things not to be true. Establishing a Church or any other ministry is not as simple as what many would assume. It is important that you understand that a Church does not just happen; rather there are steps that develop a Church or a local congregation. There are some basic guidelines that can be followed in starting a Church or other ministry. It is my objective in this lesson to lay out some basic steps that should be followed in establishing a work of the Lord.

You Must Know.....

The very first thing that you must know, without question, when trying to establish a church, is that fact that you are called by God to Pastor or start a work. Far too many people get the ability to teach mixed up with the grace to Pastor. You must have an assurance that God has given you this call. If you do this without being called, you will hurt the people who attach themselves to your work. For you will not have the necessary spiritual equipment to develop them and shepherd them the way that they will need. I have seen so many churches, in which the Pastor was not called to Pastor, and thus they, in their selfish pursuit of a call, hurt the people that follow them.

If you are called by God to Pastor a church or start a specific ministry, then you must know that you are not the head, so you must be submitted to the head to receive instructions from the head, Jesus Christ. Colossians 1:18 says;

“And he is the head of the body, the church: who is the beginning, the firstborn from the dead; that in all things he might have the preeminence.”

Remember, Jesus is the great shepherd and we are under shepherds.

Associations, Coverings, And Emulating Conventional Or Traditional Churches.

When establishing a Church or ministry, it is of great importance if or with who you associate your work with. Be careful regarding who you put the ministry under, or who you agree to be a spiritual covering over you. Don’t just join a large group or attach yourself to a group based on the leading personality. If you are to join an organization, be sure that that organization is not just adding you to their ranks; rather that they offer spiritual things that will add to your church or ministry. For example: giving you a strong prayer covering, spiritual counseling, teachings, proven strategies to employ to build your church, etc.... Also do not join a group for financial increase, for this will enslave and indebt your church or ministry to that group. Organizations will not just give you money without you giving them something in exchange. In this exchange you might find that they give you money, but you will give away your spiritual authority.

Now although it is a common practice to find a successful large ministry and then emulate or copy what they do, you cannot do this. God has a special way that He wants you to frame His work in your life. Yes, He can have you emulate what someone else has done; yet He chooses that someone or that ministry. The work or church that God has for you to establish may not line up with conventional or traditional church patterns. It is on your knees in prayer that God can give you the pattern for your church or ministry. Or it can come in a vision or revelatory dream because of your prayers.

Use What You Have.

God does not require you to start a Church or ministry with things that you do not have or are not able to get. You must start with what you have. You may feel that if you had a Cathedral many would come, just because of the sheer size and beauty of the building. You might feel that if you are associated with a popular person, or if you had a popular person come in to speak, then the people would come. Beloved know this spiritual truth, although people might come to see these things, these things will not build them spiritually, nor keep them coming. You must use the little seed that you have. Plant what you have, then receive a harvest from it, and replant the seed from that harvest.

Some believe that you must have something large or recognizable to start, this is not true. There is absolutely nothing wrong with starting small. You may not have a magnificent building, yet that’s not important. Too much emphases has been placed on where people gather; rather than on the most important aspect of Church, or ministry, which is the Word of God. So do not be ashamed to start in your home or

apartment, no matter how small it is. If you can put two or more chairs there, then you can have church or Bible Study. The early Church found this to be very effective. Romans 16:5 speaks of a early house church, it reads;

“Likewise greet the church that is in their house. Salute my well-beloved Epaphroditus, who is the firstfruits of Achaia unto Christ.”

What many call home bible studies today, were house churches in the early church. This can and should be the same today. Yet, in the age of “big” many are ashamed to say that they have a house church. Often it is in this smaller environment that people get personal questions about the Lord and the Word of God addressed and answered, causing greater and more solid spiritual growth.

Another important truth about starting a new church is this, do not try to establish a church with another or other seasoned ministers. It may seem a good idea at first, yet over time there will be a split of vision. A church should have a Senior Pastor or leader, who hears from God and gives direction to the church, and not a group of people.

Not A Social Or Political Club.

When starting a church, you must establish that the Church (people) are assembled or gathered together to teach. That is to say that the basis of them coming to Church is to hear the Word of God. Acts 11:26 says;

“And when he had found him, he brought him unto Antioch. And it came to pass, that a whole year they assembled themselves with the church, and taught much people. And the disciples were called Christians first in Antioch.”

These people did not assemble themselves for a political rally, or for a social club; rather to hear the Word of God. Many Churches teach very little word, yet their calendars are filled with meetings supporting social and political activities.

Don't Steal Members From The Church You Leave From.

Contrary to popular practices, it is not okay to take people from the Church that you are attending, with you to start another Church, unless the Pastor sends them with you. When you do this, you sow this very same thing into your own ministry. When my wife and I started our first church, there were people in the Church we attended who told us secretly, “when you start your church I’m coming with you.” Needless to say, when we started our church we did not tell them. We did not take (steal) people from our Pastor, so that we could have people to Pastor. If you are truly called to Pastor, then you will go out and get the people that you have been called to Pastor. God often does not bless ministries that do this in growth. It is better to start with you and your family, than to have a 1000 people that God did not send with you. Know that God is able to send who He wants you to Pastor to you.

Where To Plant The Church And Setting It's Vision.

You must get clarity and establish where you will begin (knowing where God has called you) or the place you will plant the Church. This is of vital importance. Seek the Lord's face in prayer about where you are called to start a work, if you are unsure. It's not okay to just plant a church where you want, for this must be Christ directed. If you plant a work in the wrong place, then it will not grow properly, and it might not grow at all. The people you are called to minister to and the provisions to do it, is in the place that God told you to plant the Church, and not in your desires. By the way, don't try to plant the church in a place that your natural mind says is good, because of the income of the people or the needs of the people in a community. God knows what spiritual accoutrements that He has put in you, and who He has you to minister them to, so go where He sends you, and not where you think.

Not only should you have an assurance as to where God wants you to plant a Church or ministry, but also you must understand God's vision for that work. It is crucial that you receive the vision from the Lord, and then set that vision early in the Church or ministry. That vision should include what the Church is established by God to do, in what way or how you are called to do it, as well as who the church or ministry is called to reach. Without the Pastor establishing the vision before the people they are let loose. Proverbs 29:18 says;

“Where there is no vision, the people perish: but he that keepeth the law, happy is he.”

The Hebrew word for “perish” in this text of scripture is “para” (pronounced pa-rah), meaning to let go, let loose, to let alone, avoid, neglect. The Pastor who does not set a vision for the people in the church is in actuality neglecting them, and letting them loose. That is that they will be easily drawn into doing something else, because they do not have a set vision to see and attach themselves to.

Natural And Spiritual.

Balance in ministry is key. There are some natural things that must be done, as well as many more spiritual things. Some people build Churches on natural events alone. They think that the events will draw people in, which it might, yet it won't keep the people there. This kind of thing will most definitely cause the Church to be out of balance. A Church or bible study is not built on events, etc...: rather the Rock, Jesus or the Word of God. Matthew 16:15-19 says;

"He saith unto them, But whom say ye that I am?

And Simon Peter answered and said, Thou art the Christ, the Son of the living God.

And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven.

And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven."

The Rock that the Church, including any local congregation is built on is Jesus Christ, the Son of the Living God. You must feed the Church the Word of God. For this will cause the members to grow spiritually and mature in Christ, causing them to reproduce. Acts 20:28 speaks of feeding the Church, it says;

"Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood."

You are not to entertain them with flesh tantalizing events; rather you are to feed them the Word of God, even if they do not want it. Feed the people good Godly food. People are not going to come because you say it's a Church; rather because of your prayer for them (which liberates their minds), and the Word of God that is being taught (that strengthens and builds them spiritually). Do not try to entertain them with a style of teaching, but give them substance or teachings that will cause their minds to be edified and their spirit man or woman to grow and mature. This will require that you spend time in prayer before the Lord (to receive what to teach and get additional spiritual insights about it). It will also require you to study the Word of God to develop your knowledge of the Word, that you must give to the people, as well as protect them with. People will return for more and bring others when the spiritual food is good, as well as relevant to them and their lives.

Church Establishing Steps.

1. **Prayer** - The first place that you must start when seeking to establish a Church is prayer. The first area of prayer will deal with your individual preparation. Prayer is a necessity. Having regular time in prayer for yourself, as well as collectively as a group is important when laying a foundation of a Church, as well as maintaining that Church. A territory must be prayed out, and the people that you are trying to reach within it must be prayed for prior to you starting the work. This prayer must begin with personal repentance, and then asking God to direct you in repentance and prayer for the territory that the Church is being planted in. Stand proxy in repenting for the sins of those who are in the territory that you are establishing a Church in. Begin to praise God for the people coming to Christ and to the Church. Ask God to lead you in what to pray for, while also praying for the things that you see and know naturally about the territory. Bind the demonic spirits that God reveals to you off of the territory and its people, as well as loose what God reveals to you to loose. I encourage you to fast before you endeavor to do this. Please do not take any of these points for granted.
2. **Set Up A Bible Study Or Church Service** - You do not wait for the people to do this; rather you establish a place for them to come in faith, to receive the Word of God. This will require you to find a regular meeting place. I strongly suggest you start in your home. Please don't let the devil keep telling you the reasons why you can't do it. Shut him up and start. Starting a basic bible study is important. Your bible study can be topical (studying topics in the bible, such as; love, obedience, forgiveness, rewards, Heaven, salvation, Hell, etc...). Your bible study can be based on biblical characters (such as; God the Father, Jesus, the Holy Spirit, Moses, the Disciples, Paul, etc...). Or your bible study can be on a particular book of the bible, etc.... Let the Holy Spirit lead you in which one(s). Yet whatever is being taught should never be based on what you think the people need, or want to hear; rather what the Holy Spirit is leading you to teach. For He knows what they need to hear and what will build and bless them spiritually. The strength of the teaching will help dictate the maturity of the people and impact they will have on others.

3. Seeding The Territory - Many Churches go unnoticed, due to the fact that no one knows that they are there. You must sow abundant seed in your territory. This seed could be flyers about salvation and your church. It could be letters that are mailed out or put in (or under) the doors of the homes in your territory. It could be in the form of standing on the streets and sharing the Gospel message with individuals who walk by. It could be calling the people in your community and asking them if they have any prayer needs, and then inviting them to the church. You could put invitations about special events that are spiritual in nature (such as; deliverance and healing crusades, teachings on certain subjects, etc...) on cars in your community or give them out. Whatever your seed is, sow it abundantly, and not sparingly. This should be done not just once in a while; rather several times each week, to truly produce a harvest.
4. Employ Your Strategy or Strategies - Your strategy should be based upon the spiritual gifts and call that you may have. This could be ministering to men, women, families, doing deliverance and healing crusades, ministering to those in the hospitals, evangelizing people in the streets and other places. It's not just good enough to have a written strategy; rather it must be implemented or done.
5. Discipleship Program - After you have employed your strategies and people begin coming to the Church, then you should establish a discipleship program. These teachings should explain the rudimentary things that all Christians must know. It should be taught over many weeks, and be offered 3 to 4 times per year. Again, certain teachings lay a good spiritual foundation, such as love, forgiveness, commitment, repentance, salvation, righteousness, who is Jesus, etc... This will also help all those in the Church to have the same understanding of certain preliminary things in the Word of God regardless of when they joined the Church.

There is something else of importance that I want to point out, and that is "don't eat your seed." The initial returns or provisions that you get from those who come in first must be replanted. When you stop planting seed, you will cease to grow. Galatians 6:7-9 says;

"Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.

And let us not be weary in well doing: for in due season we shall reap, if we faint not."

Don't take your initial provisions and buy selfish things; rather sow it back into the work of the Lord, in expectation of a much larger harvest. When the harvest is large enough, then you can live off of the returns, as well as continue to sow seeds from it.

Regarding prayer again, you must establish regular prayer for yourself, as well as for the Church. You can choose to have a regular day during the week if you have a place to do it. Or you can establish a prayer list (which has points of prayer that you want everyone to pray about), and have each person privately pray these points on a regular basis. You can also offer prayer for and with those who come to the Church. Perhaps at the end of each Church service or bible study you can offer prayer to all those who desire it.

You can also offer Godly counseling to all those who have a need. After teaching, training and observation of the lives of those who have been with you for a period of time, then seek the Lord regarding charging and ordaining ministers and elders to assist in the maturation of those in the Church. Titus 1:5 says;

"For this cause left I thee in Crete, that thou shouldest set in order the things that are wanting, and ordain elders in every city, as I had appointed thee:"

Ordain in the Greek is "kathistemi" (pronounced ka-the-sta-me), meaning to set, place, put, to set one over a thing, to appoint one to administer an office. The Word "elder" in the Greek is "presbyteros" (pronounced pres-bu-te-ros), in this context of scripture the meaning is a term of rank or office (among the Christians, those who presided over or churches).

One final note, do not be afraid to step out and begin. Do not worry about what others will say, or try to fulfill their expectations, just do what God has called you to do, and He (God) will give you the increase that He has apportioned for you.

HOUSE OF DAVID FIVE FOLD AND MINISTRIES NETWORK

Associate and Affiliate Churches, Ministries or Ministers

Welcome Servant of the Lord,

Puzzled, perplexed, baffled, and confused are the words of most Christian organizations, denominations, their Pastors, and leadership, regarding why people are not attending their churches in larger numbers. In fact, in most churches there are but few who attend regularly. Many Pastors and Christian leaders are trying to find ways to get people to come to Church. They are holding all manner of events, and various strategies are being employed, which often produce little, if any lasting results. It would seem that people are not interested in God. ***Yet I have found that people are hungry for the Word of God and sound biblical teaching. It is our desire for House of David Five Fold and Ministries Network to help develop laborers in Christ, to help them develop their ministries and churches, causing many to come to Christ and mature and grow in their knowledge, understanding and application of the Word of God. We help churches, ministers and lay people establish ministries and churches, as well as helping those who are already in ministry, further develop their ministries, with the purpose of causing greater results in substance, and scope or territory of impact.***

Many ministers, ministries and churches are existing, yet are not growing in relationship with God, in size, purpose and impact. They may not have seen spiritual breakthrough with their ministries, churches and personal lives, and are not content. They hunger to see multitudes of people set free, in their families, communities, in which their church or ministry is located, as well as in their churches. Many are desirous of teachings and strategies that will birth revival in themselves first, and then to their constituency or those they minister to. They want to move from tradition, religion, legalism, denominational teaching and church as usual, to life in Christ, moving in the nine gifts of the Holy Spirit, true revival, deliverance, God's power flowing through them, souls being saved and coming to Christ, supernatural evidence, etc... For ministers, ministries and churches who desire this, then becoming an Affiliate or Associate Church, Ministry or Minister with the House of David Five Fold and Ministries Network is what you need to do. We will provide you with the necessary teachings, strategies, structure, prayer covering and other areas of assistance to help accomplish God's purpose for your Church and/or Ministry.

Your Affiliation or Associate membership will offer you access to the following, which is detailed in this package:

- Ministry Strategies
- Ministry Development/Assistance

HOUSE OF DAVID FIVE FOLD AND MINISTRIES NETWORK

Ministry Vision

We are a work with an Apostolic vision, which equips and enables laborers to accomplish the Great Commission. The Bible tells us that Apostles are first, I Corinthians 12:27-28 says; “Now ye are the body of Christ, and members in particular. And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues.”

Apostles are not just first in rank, but also in timing or order sent. Apostolic vision must go first to establish, train, and equip the labors that God is calling to receive the last days harvest. House of David Five Fold and Ministries Network is called to this specific work.

House of David Ministries is a covering organization for churches and ministries, including House of David Ministries Church, as well as House of David Schools of Ministry which is a Biblically- Based Ministry and School of Power. We have been established by the Lord of the Harvest and sent to the Body of Christ to develop laborers to go into the End Time Harvest and reap precious souls for Christ.

Under the directions of the Holy Spirit we train, equip and empower Leaders, Ministers and lay believers with purpose instruction, and anointing. As a result each Leader, Minister and lay believer will be able to function in his or her calling and intended place of service in the work of the Lord. We are sent to facilitate this present Revival and the Great Awakening of Souls with a spiritually skilled labor force.

Our number one goal is Christ, our mission is souls and our vision is a “Last Days Book of Acts.” A Marvelous work is done in the life of the Christian when they attend to and apply the Word taught at this Ministry.

This means that Leaders, Ministers and lay believers are transformed into a Christ-centered, miracle working, power-packed, Holy Ghost-filled saint of the Living God. They become a living example of the virtuous character (exousia) and power (dunamis) of our Living Lord Jesus Christ.

Statement of Faith

We believe the Bible to be the inspired and only infallible Word of God

We believe that there is one God, eternally existent in three persons: God the Father, God The Son, and God The Holy Spirit.

We believe in the Blessed Hope, which is the rapture of the church of God, which is in Christ, at His return.

We believe that the only means of being cleansed from sin is through repentance, faith in the precious blood of Jesus Christ and being baptized in water.

We believe that regeneration by the Holy Ghost is absolutely essential for personal salvation.

We believe that the redemptive work of Christ on the cross provides healing for the human body in answer to believing prayer.

We believe that the baptism in the Holy Ghost, according to Acts 2:4 is given to believers who ask for it.

We believe in the sanctifying power of the Holy Spirit, by whose indwelling, the Christian is enabled to live a Holy and separated life in this present world.

We believe in the Great Commission according to Matthew 28:18-20.

“...behold I come quickly; and my reward is with me to give every man according as His work shall be.”
Revelations 22:12

The Lord is indeed coming soon and as believers we ought to remain “...steadfast, unmoveable, always abounding in the work of the Lord...” (1Cor. 15:58) What is the vision that God has given you for your ministry? When the Lord returns will you be able to say with absolute certainty that you have fulfilled the mandate that He has placed on your life and that you have reached every person you were called to reach? Whether your answer is yes or no, what is certain is that with all that we do unto the Lord, we can do more. In this last hour God is sending forth by His Spirit, teachings that are specifically purposed to prepare His Body (Believers in Christ) for His return.

This Ministry is one called to such a work. The Lord has imparted to us teachings that will propel His people into the work that He has called them to. Our aim is to see these teachings reach the four corners of the world, bringing restoration power to all those that study and apply them to their life and ministry. As a Ministry we are called by the Lord to fulfill the Five Fold mandate according to Ephesians 4:11-13. We are commissioned by the Lord of the Harvest to develop laborers for the Kingdom of God. Matthew 9:37-38 says, **“Then saith he unto his disciples, The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.”** Beloved, the harvest is vast; therefore this ministry endeavors to reach far and wide. The scope or expanse of this work is unlimited. We do not have to be in each place physically to train and equip laborers; as a result our reach is limitless.

We Reach Over 100 Nations Around The World With the Unadulterated Word Of God *Including, but not limited to*

Aspiring Ministers Ministry Development Licensing Program

This School of Ministry is like none other, for it offers our students much, much more than book theology. It is The Schools of Ministry's purpose to develop true Holy Ghost filled, dynamically empowered laborers (both those seeking licensing in ministry and laity) who will be a demonstration of the Lord's power, love and reconciliation in the land. This School, developed by Tony Owens, will both give you the necessary knowledge, and service, as well as train and equip you, inwardly, which will manifest in outward displays of God's Anointing on and in your life, in your area of ministry. This Program, if taken at a local school, is 9 months in length and 12 months if taken as a Correspondence (work at home) course. This Program is not tuition based, yet we require those who are seeking licensing to give a pledged donation each month while you are in the Program. Upon the successful

completion of this course each student will receive, a Certificate of Licensing.

We are offering **five different License Ministers Programs** that cover various fields of service (ministry), and they are:

MINISTER OF EVANGELISM PROGRAM

For those called to the Evangelistic Ministry of winning souls, and seek signs, miracles and wonders, as a proof of Christ's sacrifice and His Ministry in them.

MINISTER OF INTERCESSION & PRAYER PROGRAM

For those called to prayer based ministries.

GENERAL MINISTERS PROGRAM

For those who are called to teach the word in various capacities, serve in a local church, or are seeking to start a local ministry that demonstrates the Power of God and more.

MINISTER OF HEALING & DELIVERANCE PROGRAM

For those called to a ministry of healing the sick and expelling or casting out demonic spirits, both in institutions, hospitals and individuals.

MINISTER OF SONG AND MUSIC PROGRAM

For musicians and singers who desire to have a supernatural music ministry that causes God's presence to enter, births miracles, signs and wonders, causes healing and deliverance to happen when they minister. This program does not teach songs or music, rather magnifies the results of it.

INCARCERATED DIVISION

Through this program we have been able to reach a community that is often forgotten. There are many of our brothers and sisters in Christ that are incarcerated. Most of whom are serving ten plus years and even life sentences, yet they have a strong desire to serve the Lord. This Ministry gives them the opportunity to study the Word of God and go forward in fulfilling their calls; testifying to the truth that **"... the word of God is not bound"** (2 Timothy 2:9)

INTERNATIONAL DIVISION

This Program is also available to Christians around the world. Through this program we have been able to develop and license ministers in various countries of the world.

SCHOLARSHIP PROGRAM

Many of the students in our Incarcerated and International Divisions have the opportunity to complete this program via our Scholarship Program. Through the Scholarship Program each student is sponsored by a perspective donor. Their donations are used to cover tuition costs and course materials. ***Those who partner with this Ministry play a major role in this process.*** Because of the donations from partners and friends of this ministry our international and incarcerated applicants will never be turned away.

Five Fold Ministry Program

This course not only teaches the description of the Five Fold Ministry Gifts (Apostle, Prophet, Evangelist, Pastor and Teacher), but also prepares and develops those who are called to walk in or assist in these offices. This is done through helping them develop proper character, giving understanding about the purpose of the call, as well as, their place in the call. Students, will not only study the Five Fold gifts in particular but you will be given teachings on a variety of subjects which are necessary for the development of the inner man so that the gifts of God can flow unhindered. This course will help train, develop and equip those who God has called to the Five Fold Ministry. This course will also help students identify if they have one of these calls on their life, as well as other potential calls. Many seek the glory that they assume come with these offices, without understanding the challenges that one must face and overcome before they can successfully move in these calls, this course will help students gain this understanding. Students will also learn how to embrace their call and find your appropriate place in the Body of Christ. This course will challenge students to mature and grow beyond what

and where they presently are spiritually. The knowledge that students will gain through this course, if applied will change their life and ministry. This is a 12 month study program. **This Program is offered as a Correspondence (Work at Home) Course or students may attend one of our local host sites.** Students that successfully meet all Program requirements will be awarded a certificate of completion (This Program does not qualify a person to be ordained in a Five Fold office because it is the work of the Holy Spirit to develop each Five Fold minister based on their submission to the Word and spiritual development). For those seeking spiritual ordination in the Five Fold, we ask that you contact our office for instructions. A donation is required for this course each month.

PERSONAL BIBLICAL STUDIES

Understanding & Operating in Deliverance (I & II)

So many people are trapped in sin and cannot in their own strength be delivered. This two part course will train you to become an empowered army that will go into the enemy's camp and set the captives free.

Effective Prayer and Intercession

Many people pray, but not all are heard in Heaven (Isaiah 59:1-2). The teachings in this course will cause you to be heard in Heaven by helping you understand the 5 keys to successful prayer, as well as, giving instruction in establishing a prayer group and identifying hindrances to effective prayer, and more.

Supernatural Faith

God has made us a people of faith, and we must have faith to please Him (Hebrews 11:6). Faith is a key principle for us to receive anything from God, as well as, to function in the Gifts of the Spirit and the power of God. This course will help you develop and increase your faith, which in turn will enable you to walk in the Spirit.

Understanding and Operating in the Nine Gifts of the Spirit

God has given the Christian many supernatural gifts, yet many don't know what they are, nor understand how they function or operate in their lives. Through the teachings in this course, you will be able to identify what gifts are functioning in your life including how they operate and how they are administered.

How to Walk & Operate in the Spirit

The life of the Christian is one of the Spirit and not of the flesh. Our God is a Spirit and to understand spiritual things we must walk in the Spirit. In this course you will gain an understanding of the operations of the spiritual realm as well as gain the necessary keys to access to the power, anointing, gifts and provisions that are only available in the Spirit.

Walking in Miracles, Signs and Wonders

This course is for all who believe that with God nothing is impossible. As you apply the teachings in this course your faith will drastically increase, causing you to boldly walk in the dominion that God has promised you. You will not just hear us declare that you should heal the sick, cast out devils and raise the dead, rather you will be equipped to do so according to Matthew 10:7-8.

Understanding & Operating in Supernatural Healing (part I & II)

Jesus said in John 14:12-14 "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it." As you study the lessons in this two part course, it will stir within you a desire to see multitudes healed and set free from the bonds of sickness and challenge you to become a vessel through which the healing virtue of God to flow freely.

Understanding Dreams & Visions

Dreams and visions are a way in which the Lord speaks to His people. Unfortunately many Christians ignore their dreams and visions because of a lack of understanding. This course will offer Biblical instruction and guidelines to interpretation, including dream symbolism and teaching on the three domains of dreams. It will also include a Dream Anthology (a study of the dreams and visions of the Old and New Testament). The main objective of this course is to equip the individual Christian with the tools that will help them to understand their own dreams and visions from the Lord.

Eschatology: Book of Revelation, Beginnings & Last Days Events

So often Christians are asked questions regarding their faith, regarding the origin of religions, of man, of gods, the beginning of days, as well as the end of days, and many have no idea how to answer these questions. This course will give you knowledge using Biblical references regarding the many questions that both the Christian and non-believer has regarding who they are, who the true God is, God's intended relationship with them, and how all other religions (false teachings) came to be. If you have desired to understand biblical prophecy, including much of the Book of Revelation, then this course will bless you.

Supernatural Evangelism

If you desire to become an effective soul winner, who understands both the natural and spiritual dynamics behind the salvation of souls, then this course is for you. This course will equip the believer with supernatural understanding of man's origins, the origins of false gods and religions, the meaning of eternal life, causing the Christian to have the knowledge that the Holy Spirit can call forth, when they are ministering to the unsaved, as well as to those in false religions.

How to Hear the Voice of God Clearly

God is continually speaking; pouring out wisdom and direction to His people. However, many Christians are not in position to hear His voice. In this course you will learn how to develop an ear to hear, as well as, how to identify and remove those things that is hindering you from hearing the voice of God clearly. As you apply these teachings we are confident that your relationship with the Lord will never be the same.

How to Birth Revival in Your Life (I & II)

This two part course will awaken in you the things that will give you the qualifications to have a revival of healing, deliverance, salvation (evangelism), the power of God (demonstrated in signs, miracles and wonders), the heart (love) of God, powerful intercession and prayer, your ministry and perhaps the awakening of your Church or the Body of Christ as a whole.

Supernatural Revelation

This course is full of teachings that offer great insight for those hungry to grow in their understanding regarding revelation that is given through the Holy Spirit. Many who have Prophetic calls, those who often dream, as well as those who desire to hear the voice of God and understand the revelation that He is giving to them, will grow exponentially through this course.

Apologetics: Defending Christianity

The word of God also admonishes us to "...be ready always to give an answer to every man that asketh you a reason of the hope that is in you..." (1 Pet. 3:15) In this course, we will provide you with the tools necessary to know who you are in Christ as well as defend your faith in a society where false religion and new ageism are on the rise.

Deliverance (How to Cast out Devils)

Are you willing to learn how to challenge the enemy for what and who God has given you? We must come to the realization that the root of the issues that we see in our families, homes, communities, cities etc... stem from demonic activity. This course will help you identify demonic activity, prepare internally to be in a position to expel demons and learn the biblical principles of deliverance.

How to Receive and Increase the Anointing (I & II)

To see the power of God moving and have the Gifts of the Holy Spirit operate in the live of the Christian we must seek God for a supernatural enabling power. This power is given through His Holy Spirit. Yet to receive this enabling power we must become a prepared vessel full of the Word and fit to be poured into. This course will help you to become that prepared vessel.

MINISTRY DEVELOPMENT COURSES

	How to Establish A Ministry All true ministries are supernatural, in that they must be established and directed by God. This course will help you to gain the spiritual credentials that will afford you the opportunity to establish a ministry built on faith, consecration and prayer.		Establishing the Foundations of A True Minister A minister is not a title; rather it is a service. Too many people have become ministers or have called themselves ministers, never having been transformed on the inside by submitting to the Word of God. The teachings in this course will bring about an inward transformation of the heart with the infusion of knowledge and understanding of the Word of God.		Stirring the Ministry In You We, the Church (Body Of Christ) have lost our purpose (vision), causing us to hide inside the Church building being occupied with Church events for too long. John 17:18 says, "As thou hast sent me into the world, even so have I also sent them into the world." The teachings in this course will cause you to develop the same passion Christ had to go out into the world and deliver the gospel of the Kingdom.
--	---	--	--	--	---

DISCIPLESHIP

		This course contains teachings that are designed to develop true Christian character, which in turn qualifies the Christian to walk in the Spirit and become a vessel for God's power to flow through. Each portion of this course not only teaches about Kingdom Character (true Godly Character), but it challenges all who have taken it, in ways that they did not expect. This course will lay a stronger spiritual foundation for the 'seasoned' Christian as well as equip those in Ministry to successfully disciple and mentor a person in the Lord, which will help them stay and grow in Christ.

How to Hear the Voice of God Clearly

He that hath an ear, let him hear what the Spirit saith unto the churches. Revelations 3:22

God is continually speaking; pouring out wisdom and direction to His people. However, many Christians are not in position to hear His voice. "Behold, the LORD's hand is not shortened, that it cannot save; neither his ear heavy, that it cannot hear: But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear." (Isaiah 59:1-2) So many of us struggle with discerning the voice of God; we wonder whether the voice that we hear is from God, the enemy, or whether it is just our own thoughts. Beloved, please understand that God is not the author of confusion. When the child of God calls He will answer and His answer will be clear to those who have ears to hear. In this course you will learn how to develop an ear to hear. As well as how to identify and remove those things that hinders you from hearing to voice of God clearly. You will be given teachings that will build your faith in this area; exhorting you in the integrity of the Word of God. As you apply these teachings we are confident that your relationship with the Lord will never be the same. At the completion of this course your heart's cry will be "...Speak; for thy servant heareth." (1 Samuel 3:10)

How to Walk and Operate in the Spirit

If we live in the Spirit, let us also walk in the Spirit. Galatians 5:25

The life of the Christian is one of the Spirit and not of the flesh. God is a Spirit and to understand spiritual things we must walk in the Spirit. This course contains teachings that will build your faith and give you an understanding of man's restored dominion and authority. You will learn how to pray effectively and the importance of removing those things that hinder you from hearing the voice of God clearly. As you read lessons such as "The Power of A Decree" and "The Declaration Of A Righteous Person" you learn the dynamics involved in seeing God's will performed on the earth. In the realm of the Spirit, the spoken word causes a manifestation, and as you submit to the will of God His power will follow those things that you decree and declare. This course will also cause you to step out in faith. You will learn that the anointing of God flows in obedience as we go where He sends us, when He sends us, and to whom He sends us. If you desire a greater measure of the Holy Spirit then we encourage you to fast, pray, seek the Lord and apply and study the teachings in this course; it will strengthen your relationship with the Lord and cause you to truly walk in the Spirit. Beloved, the Kingdom of Heaven is within you!

Effective Prayer and Intercession

The effectual fervent prayer of a righteous man availeth much. James 5:16

Many people pray, but not all are heard in Heaven (Isaiah 59:1-2); the teachings in this course will cause you to be heard in Heaven. If you desire to see greater results in your prayer life, or if you are called to be an intercessor (prayer warrior), this course will develop you to pray with power, Godly direction, and purpose. This course will give instruction in identifying hindrances to successful prayer. You will learn the dynamics of prayer and how to pray strategically. You will be equipped with spiritual warfare techniques that will broaden your prayer horizons. Each student of this course will be empowered by these teachings, which in turn will cause an increase in their effectiveness in prayer. You will learn how to pray with heavenly purpose, causing heavenly power to manifest through your petitions to God. You will gain an understanding of how to use the weapon of praise against the enemy causing the presence of God to manifest in your circumstances, as well as how to set an atmosphere for God's presence to come in, and more. Overall you will become a testimony of James 5:16b which says, "...The effectual fervent prayer of a righteous man availeth much."

How to Birth Revival (Part I & Part II)

Wilt thou not revive us again: that thy people may rejoice in thee? Psalm 85: 6

If you have prayed for revival to be birthed in your life and/or ministry, then this course will cause you to understand how to bring this to pass. Whenever we ask God for something, including revival, He sends His Word to us regarding that requested subject. This two part course will give you the Word of God on revival, as well as, it will give you the necessary spiritual teachings, that if applied, will cause you to begin to have a personal revival. Revival is the awakening of or the finding of something that has been sleep (dormant) or lost. This course will awaken in you the things that will give you the qualifications to have a revival of healing, deliverance, salvation (evangelism), the power of God (demonstrated in signs, miracles and wonders), the heart (love) of God, powerful intercession and prayer, your ministry and perhaps the awakening of your Church or the Body of Christ as a whole. The teachings in this two part course will revive and awaken in you, the character of God, His teachings and His dunamis power. Your speech will change, your knowledge of His Word will grow, and the Power of God resident in you, through the Holy Spirit, will be awakened to fulfill the purpose in your life. Not only will you come alive in the spirit through this course, but you will also be able to speak revival life to others, causing them to Come Forth!

Eschatology: Understanding the Book of Revelation, Beginnings & Last Days Events

Behold, I come quickly: hold that fast which thou hast, that no man take thy crown. Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name. Revelations 3: 11-12

So often Christians are asked questions regarding their faith, regarding the origin of religions, of man, of gods, the beginning of days, as well as the end of days, and many have no idea how to answer these questions. This course will give you knowledge using Biblical references regarding the many questions that both the Christian and non-believer has regarding who they are, who the true God is, God's intended relationship with them, and how all other religions (false teachings) came to be. If you have desired to understand biblical prophecy, including much of the Book of Revelation, then this course will bless you. You will learn what color the Lake of Fire is, and why it is that color. You will learn whether man will spend eternity in Heaven or someplace else, based on the King James Version of scripture. This course will teach you about the rapture of the Church and the various judgments that the Church will face, as well as the world. You will learn what the tribulation period is and what will happen during it. This course includes teachings on the millennium, and the fate of all who have ever died. You will learn about the eternal bodies that many will have throughout eternity. This course will cause you to grow and be able to address difficult questions that many have, including those of other religions. Imagine being able to explain to those of other religions how their beliefs (although false) came about. This course will also help you win people to Christ, for it not only gives you information about things, but also gives you a Christian character base, which will cause you to speak the truths of God's Word with power, causing conviction to fall on those who hear, for the Holy Spirit will be free to speak through you, because this class would have prepared you to become God's vessel.

Understanding & Operating in the Nine Gifts of the Spirit

"Now there are diversities of gifts, but the same Spirit. And there are differences of administrations, but the same Lord. And there are diversities of operations, but it is the same God, which worketh all in all. But the manifestation of the Spirit is given to every man to profit withal." 1 Corinthians 12:4-7

God has given the Christian many supernatural gifts, yet many don't know what they are, or they do not understand how they function or operate in their lives. You will be taught about the 3 categories of gifts, and the purpose and function of those categories. You will learn the basis or foundation by which the nine gifts of the Spirit operate, as well as how to activate and operate in the gifts of the Spirit. Through the teachings in this course, you will be able to identify what gifts are functioning in your life and how to increase them in strength. All nine gifts will be examined and explained. The Gift of Word of Wisdom, Word of Knowledge, Discerning of Spirits, The Gift of Faith, Working of Miracles, Gifts of Healing, Prophecy, tongues, Interpretation of Tongues. This course will mature you and help you function in the Gifts of the Spirit.

Understanding Your Dreams and Visions

...Blessed be the name of God for ever and ever: for wisdom and might are his: And he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding: He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him. Daniel 2: 20-22

This class will bring understanding and clarity to an often ignored, misunderstood and misinterpreted avenue of revelation: dreams and visions. Dreams and visions are a way in which the Lord speaks to His people. Unfortunately many Christians ignore their dreams and visions because of a lack of understanding. Because dreams and visions are a mystery to most, the enemy has distorted its use; to push forward his own agenda of New Age teachings, psychics, and other false doctrines. However, this course stands on this truth: that the Lord our God is a revealer of secrets, He alone gives true revelation and therefore only He (God) can give us true understanding of our dreams and visions. This course will teach you the dynamics of dreams and visions and their purposes in our lives; especially those of us who are in positions of leadership and authority. This course will offer Biblical instruction and guidelines to interpretation, including dream symbolism and teaching on the three domains of dreams. It will also include a Dream Anthology (a study of the dreams and visions of the Old and New Testament). The main objective of this course is to equip the individual Christian with the tools that will help them to understand their own dreams and visions from the Lord.

Apologetics: Defending Christianity

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

Do you desire to know what Christians really believe? Or are you a Christian who is challenged when it comes to sharing your faith with those of other religions? Do you sometimes question what you yourself claim to believe? There are many professing Christians that struggle when it comes to defending their faith against the opposing views of today's society. For believers representing Jesus Christ this ought not to be. We ought to have the truth readily on our tongues standing against the lies of the enemy and proclaiming with confidence that Jesus is the only way, the truth and the life and no man comes to the Father but by Him (John 14:6). The word of God also admonishes us to "...be ready always to give an answer to every man that asketh you a reason of the hope that is in you..." (1 Peter 3:15) In this course, we will endeavor to provide you with the tools necessary to know who you are in Christ as well as defend your faith in a society where false religion and new ageism are on the rise. Some lessons that will be taught are "Are There Many Ways or Only One Way to God," "Proofs of A Living God", "Who Is Jesus?", "The Origin of gods", "The Dynamics of Hell" and much more. The objective of this course is not to teach theological knowledge but rather build you up with truth from the Word of God that will cause you to proclaim the Gospel with boldness.

Deliverance (How to Cast Out Devils)

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven. Luke 10:19-20

Many of us who are Christians are in various kinds of bondages, that we have been seeking deliverance from. If you are in bondage to anything, there are steps you can take as a child of God to receive deliverance. This course will teach you how to free yourself and others from the oppression of the enemy. Often times sin, generational curses and hidden doorways can give the enemy access thus keeping us in bondage. Often times our lack of spiritual knowledge causes us to go throughout life never receiving the freedom and liberty that the resurrection of Jesus Christ has granted us. But as a Child of God we have been given the right, through the righteousness of Christ, that when we declare the name of Jesus it unlocks every chain and yoke that holds men and things in bondage. As you apply the teachings in this course you will gain the confidence to remove all grounds that give the Devil legal rights to hold you, your family, community etc. bound. As a result, there will be a release of all those things that were held bound; your finances, your health, the salvation of your love ones, and every spiritual blessing God has promised you.

In the Beginning...the End

In the beginning was the Word, and the Word was with God, and the Word was God. John 1:1

HOW DID IT ALL BEGIN? HOW WILL IT END? Do you want to learn the TRUTH about creation? The creation of: The Heavens (planets, stars), Earth, Space, Animals, Plants, Etc... Do you want to gain a Biblical perspective of scientific theories? The extinction of dinosaurs, Evolution, The Big Bang, Continental Drift, Etc..., Do you want to receive in-depth teachings explaining the dynamics of: The creation of man, the fall of man (its affects on creation and generations to come), man's/woman's judgment, etc... Do you want to know... Why God flooded the earth? Why are there so many languages? Why did man's life span decrease? What is "The End of the World"? Will it happen suddenly? Through the teachings in this course, you will learn the truth regarding a much theorized subject: Creation. This course provides detailed information regarding the specifics of how the world began. It also offers a clear understanding of the stages involved in "The End of the World". This course will give you the confidence to stand on the truth based on the undeniable facts found in the Word of God.

Supernatural Faith

But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Hebrews 11:6

God has made us a people of faith and we must have faith to please Him. Faith is a key principle for us to receive anything from God, as well as, to function in the Gifts of the Spirit and the power of God. This course will help you develop and increase your faith, which in turn will enable you to walk in the Spirit. You will learn the basis by which faith operates and is built upon.

Many try to apply their faith and see no results, not realizing that faith must be placed upon a specific foundation. In this course you will learn this foundation, causing your faith to manifest God directed results. This course will strengthen you spiritually on every level, for it is through faith that all other things in God work. This course will increase your level of faith exponentially, causing great change in your life, as well as other people, places and things that you apply your faith to. You will also gain an understanding of the Gift of Faith according to 1 Corinthians 12. Those who submit to these teachings will learn to employ God's power in their lives and ministries.

Understanding the Supernatural (Angels & Demons)

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Ephesians 6:12

Through the teachings of the course you will gain a greater understanding of the Supernatural, not based on science fiction, but on God's Eternal Word. Our perception of the Supernatural has been shaped heavily by the media and the opinions of people.

Most of these reports have no basis or foundation of truth in them yet God is giving His people, greater insight into His Kingdom and greater understanding regarding how it functions. This course will examine the function of ministering angels as well as the operation of demons that may not be commonly known. You will also learn the purpose of the angelic hosts on earth, and man's ability to command them to accomplish God's will. As you apply these teachings you will be empowered to operate in your authority as a child of God as you obtain greater insight into the spiritual realm.

Understanding Supernatural Revelation

The Supernatural Revelation class is full of teachings that offer great insight for those hungry to grow in their understanding regarding revelation that is given through the Holy Spirit. Many who have Prophetic calls, those who often dream, as well as those who desire to hear the voice of God and understand the revelation that He is giving to them, will grow exponentially through this class. Those attending this class will gain an understanding as to how God speaks through supernatural revelation, as well as the various spiritual gifts that He uses to do so. They will learn about the various things that are hidden

from the natural eye, yet is revealed to us (God's people) through supernatural revelation. They will learn about supernatural revelation in the Five Fold Ministry, as well as the two different origins of supernatural revelation, and how to be in the proper spiritual position to discern the difference between them. This class will teach the student how to strengthen supernatural revelation in their lives, and teach them some of the pitfalls of supernatural revelation, especially when their hearts passion, their desires, and emotions, can cause them to receive counterfeit revelation. Gaining and understanding when it is the Lord unctioining us to give or receive a prophetic word is also part of this curriculum. Those who participate in this class will gain a greater ability to see, hear, and understand supernatural things more clearly. This class will help the man or woman of God walk in the Spirit, due to them having greater revelation from God, thus causing their every step to be lead by the Spirit of God.

Understanding and Operating in Deliverance (Part I & II)

So many people are trapped in sin and cannot in their own strength be delivered. Many others would come to Jesus for salvation, yet they cannot overcome an unseen resistance that causes them to never come to the place of submission. This is because they need deliverance. Many churches do not see God ordained growth because the enemy has blinded the minds of the people in their community, stopping them from coming to God. II Corinthians 4:3-4 says, "But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the

glorious gospel of Christ, who is the image of God, should shine unto them." We must set these people and others free. Much of Jesus' ministry was setting the captives free (Luke 4). This two part course will train you to become an empowered army that will go into the enemy's camp and set the captives free.

How to Walk in Miracles, Signs and Wonders

"And my speech and my preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power. That your faith should not stand in the wisdom of men, but in the power of God" 1 Corinthians 2: 4-5

So many in the Body of Christ are seeking to demonstrate and walk in the power of God, yet they do not. This course is designed to cause the Christian who truly wants to walk in God's power, to gain the necessary understanding, and equipment to do so. You will gain the understanding of the 3 components that hinder Christians from walking in God's power, as well as how

to employ them in your life. This course will drastically increase your faith and cause you to boldly walk in the dominion that God has promised you. This course is for all who believe that with God nothing is impossible. You will not just hear us declare that you should heal the sick, cast out devils and raise the dead, rather you will be equipped to do so according to Matthew 10:7-8. You will learn the "Power Rule" or how to legally minister God's power.

Supernatural Evangelism

"But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them."
2 Corinthians 4:3-4

This course will both equip the Christian with supernatural understanding of man's origins, the origins of false gods and religions, eternal life, causing the Christian to have the knowledge that the Holy Spirit can call forth, when they are ministering to the unsaved, as well as to those in false religions. You will also learn what hinders souls from accepting Christ as Lord and Savior, and how to supernaturally remove those hindrances, releasing many to come to Christ. You will be taught regarding how to receive an anointing for evangelism and much more. If you desire to become an effective soul winner, who understands both the natural and spiritual dynamics behind the salvation of souls, then this course is for you.

Understanding and Operating in Supernatural Healing (Part I & Part II)

...Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people. Matthew 4:23

In society it is evident that there is a great need for healing and as the Body of Christ it's our responsibility, to facilitate this growing need. Many people have a desire to lay hands on the sick and see them recover. This two part course will prepare and equip you to understand and function in healing. The fulfillment of Mark 16:18 is the objective of each student. God is looking to get those He has called to the healing ministry trained and equipped, so that they can destroy the works of the enemy, who has caused sickness and disease which destroys the lives of people. Our Lord and Savior Jesus Christ told us that these signs would follow the believer in Him. All those who prepare themselves through the study of these teachings, get in right standing with God (righteousness) and believe, will find themselves prepared to minister healing to the sick, as God directs them. These teachings are balanced with practical instructions in Healing, in combination with specific character lessons, that if submitted to will remove hindrances to the flow of the Holy Spirit through you in this area. You will also be taught on the Gifts of Healing according to I Corinthians 12, and more.

How to Receive and Increase the Anointing (Part I & Part II)

"That word, I say, ye know, which was published throughout all Judaea, and began from Galilee, after the baptism which John preached; How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for god was with him." Acts 10:37-38

In the Body of Christ today, many are seeking to walk in more of God's dynamic power; to heal the sick, cast out devils, perform miracles, have the Gifts of the Holy Spirit operating in their lives, teach with revelation and truth, have faith to move mountains, etc... This requires seeking God for an anointing which is supernatural enabling power, given through the Holy Spirit. In order to receive this spiritual empowering one must prepare to be a spiritual house that is consecrated, full of the Word and fit to be poured into. This course will help you become an empowered vessel that will be able to minister in a greater capacity than your own ability.

BOOKS

Many people are hungry for Revival, not realizing that the need for revival is there because certain truths or teachings have been lost or put aside by the Church. When this happens God often sends Apostolic or Prophetic Teachers who are sent to restore truths to the Body of Christ. All of the books that Bishop Tony & Pastor Sceniorette Owens have written, are part of the tools that God is using to equip hungry believers, bring the church to greater levels of maturity in Christ and develop greater levels of faith, which will cause the Body of Christ to employ the truths of God's Word and walk in the supernatural.

Affiliate Churches, Ministries or Ministers

Affiliate Churches, Ministries or Ministers are those who are under another organization who seek to have fellowship with House of David Five Fold and Ministries Network. This affiliation affords the Church, Ministry or Minister to have access to the materials, and other resources for the development and increase of their Church or Ministry.

Pastors and Ministers who have been under, or in a particular group, do not always have access through that group or organization to resources necessary to help them develop their work, understand today's present ministerial challenges, or have the strategic tools to help them cause a spiritual impact in their communities and territories. House of David Five Fold and Ministries Network offers those Churches, Ministries and Ministers under mainline denominations, as well as other group's opportunity to stay in their organizations while yet receiving teachings and strategies that those organizations do not always afford them to have.

Many Pastors and Ministers are part of groups that give a Church or Ministry spiritual oversight, but do not have some of the strategic tools that we offer, that would make that Church or Ministry relevant in today's challenging spiritual climate. For those who seek to Affiliate with the House of David Five Fold and Ministries Network, we commit to help them by offering

- A full analysis of the present condition of your ministerial work with recommendations
- Church/Ministry Structure Assistance
- Ministry Strategies
- Prayer Covering (if desired)
- Ministerial Counseling
- Leadership Structure and Training Materials
- Resources and developmental tools
- Five Fold Ministry identification and training
- The opportunity to offer the Schools of Ministry (Spiritual Enrichment Courses) to your church and community
- Invitation to special training sessions and seminars that help develop your ministry or church

Pastoral Association Process

For Pastors seeking to be in Association and/or
Pastors seeking to be Ordained by the
House of David Five Fold and Ministries Network

Ephesians 4:11-12

¹¹*And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;*

¹²*For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:*

The call of the Pastor is to care, nurture and teach God's people. Jeremiah 3:15 says *"And I will give you pastors according to mine heart, which shall feed you with knowledge and understanding"*. I have worked and helped in the birth and establishment of churches and individual ministries. It has been my passion to help God's servants realize their call, and to help them develop God ordained strategies that are personal to their ministry, church and community, that would cause a dynamic spiritual breakthrough in the lives of God people.

If you desire to be ordained as a Pastor or to come into Association with the House of David Five Fold and Ministries Network, under the care and oversight of myself Bishop Tony Owens, it would be my pleasure to come into fellowship with you and partner with your ministry.

Below you will find detailed information regarding the process of becoming an Ordained Pastor and/or Associate Church/Ministry under the umbrella of the House of David Five Fold and Ministries Network.

Pastor seeking Association

For those who are seeking to be in Association with the House of David Five Fold and Ministries Network, under the leadership of Bishop Tony Owens, we have designed a Transitional/Introductory Package that will greatly benefit you. Many organizations just seek to develop a network of churches in order to showcase their ministry, however, we seek to partner with you, so that the Kingdom of God can expand; the mission and work of Christ continues, and a harvest of souls are reached all across the world. It is important to us, as we enter into a ministry covenant relationship, that we unite in fellowship and seek the Lord for understanding of how we can effectively see the work of the Lord prosper in the earth. This association will be entered into for **2 years** and renewed thereafter.

Over the transitional period of **three months** you will receive Leadership Manuals, training materials and teachings that help you to develop as a leader, further prepare you to grow the work God has called you to, and familiarize you with the mission of the House of David Five Fold and Ministries Network.

The first step in the Association Process is to fill out the included *Application* as well as the *Pastor's Church Assessment*. Once your application and assessment is reviewed you will receive a consultation with a Ministerial Liaison who will recommend materials and assist you if necessary in developing:

- Vision or Mission for your Church/Ministry
- Membership
- Church/Ministry Structure
 - Organization Structure
 - In House and/or Outreach Ministries
 - Strategies for Growth
- And more... (*please see Associate Ministries/Churches and Ministers Information*)

As we work together, you will be recognized at our Yearly Charging Service and Conference as an Associate Church/Ministry under the House of David Five Fold and Ministries Network covering and receive a certificate of Membership/Association.

You will receive special invitations to attend conferences and seminars. In addition, we encourage that once a year that you host a service, at your own specified location, where Bishop Tony Owens or a ministry representative will be the key speaker (this will require the Pastor or Church/Ministry to cover Bishop Tony Owens or his representative expenses for travel, hotel stay and transportation).

Donation Fee: *(please see Associate Ministries/Churches and Ministers Information)*

Pastor seeking Ordination

For those who are seeking to be ordained as Pastor by Bishop Tony Owens under the House of David Five Fold and Ministries Network, we have Programs that will greatly benefit you. These programs are designed to give you a greater understanding of the call to ministry and prepare you to walk in your call. As you go through one or more of these trainings, you will also go through a period of evaluation in which we assess what is needed to further develop the work God has called you to do.

Training:

The first step in the Ordination Process is to fill out the included application. Once your application is reviewed you will receive a consultation with a Ministerial Liaison who will evaluate and recommend **one** of the following training programs to you:

➤ **Pastoral Training Program**

This program is designed to further fortify you in your call. These teachings and trainings will instruct and deposit the Word of God in you, that will stir up the anointing and spiritual gifts; equip you with spiritual tools, and ignite a fire in you to fulfill the Great Commission.

- *For the Pastor elect who does not have a congregation, the evaluation and training period will be about **1 year** (time period can vary base on matriculation and development).*
- *For the Pastor elect who currently has a small group, Bible study, or church service, the Pastoral training and evaluation period will be **6 months** (time period can vary base on matriculation and development).*

➤ **Ministry Development Programs**

For those who do not have any previous biblically based study, or have not taken any ministerial developmental programs, we will recommend for you to take, in addition to the Pastoral Training, one or both of the following programs:

▪ **Aspiring Ministers Ministry Development Program**

This is a 9 month (if taken at one of our local schools) or 12 month (correspondence or home based) program that will train and develop you to become a Minister of the Gospel in one of the following five areas of concentration: Evangelism, Healing & Deliverance, Intercession & Prayer, Music & Song and General Ministers Program. *(Please see Program Description for further details)*

▪ **Five Fold Program**

This is a 52 week program that will give you a greater understanding of the Five Fold Ministry Program. This course will not only give you a greater understanding of the Five Fold Ministry Gifts (Apostle, Prophet, Evangelist, Pastor and Teacher), but it will also prepare and develop the proper character, spiritual gifts and anointing that's necessary to walk effectively in these offices. *(Please see Program Description for further details)*

Evaluation:

As you are enrolled in one of the Training Programs, we will evaluate or help you to develop:

- Vision or Mission for your Church/Ministry
- Membership (must have 5-10 tithing members besides family)

- Structure
 - The function of In House and/or Outreach Ministries
 - Strategies for Growth
- Leadership stability and function (both personal and ministerial)

Once you have met all the criteria for ordination, you will either be ordained at our Yearly Charging Service and Conference, or at your own specified location (this will require the Pastor elect to cover all expenses for Bishop Tony Owens travel, hotel stay and transportation. In addition, if you choose to be ordained at your specified location, we ask for you to still attend the Yearly Charging Service and Conference so that you can be recognized as an Associate Church/Ministry). At this point, you will be an Associate Ministry or Church in the House of David Five Fold and Ministries Network and receive a certificate of Membership/Association, along with, all the benefits that accompany this membership. *(Please see Associate Church, Ministry or Minister Information)*

Donation Fee:

During the training and evaluation period we ask for the Pastoral Candidate or their Church/Ministry to donate monthly, both:

- ❖ A monthly donation based on your membership

30 members or less	\$100
31 members or more	\$200
- ❖ Pastor's/Minister's Personal Tithe each month *(Based on personal Income from the church and secular employment)*
