
Nehemiah Project Florida

Order Of Prayer

God is bringing His people into a spiritual promised land, and we must learn to war daily to fully seize from the enemy and keep the promises and blessings that God has given us in this place (spiritual position). It is important that we stay with one accord (united in purpose and strategy) in regards to our Repentance, Praise, Prayer, Binding and Loosing. This allows us as a collective unit to put unprecedented pressure on the enemy that will cause a breakthrough in all of the areas that we will be focusing on. Below are prayer strategies that you as a member of the Body of Christ must learn to employ to bring to fruition and manifestation the victories that God has promised. It is important that you understand your responsibility to pray for the people, places and things that God has put under your authority.

We ask that you pray through this list at least 3 times a week. This Is Our United Prayer That Will Cause A Great Breakthrough For Us All.

We will be following 5 steps of Prayer. These steps should be in this order:

1. Repentance
2. Short Worship, Praise and Thanksgiving
3. Petition (**this should be done only one time**, after the first time you should skip this point and go to praising God for answering what you had asked the first time).
4. Thank and Praise God for all the points that you have petitioned Him for.
5. Binding and Loosing in Jesus Name (Spiritual Warfare)
